Child Evangelism Fellowship® reached 10.1 million children in over 163 countries last year. Big Bend CEF serves Leon, Wakulla, Gadsden, Jefferson, Franklin, Liberty, Calhoun, and Gulf County. Thank you for joining us in the most fruitful mission field—the children!

Christian Friends-

Join with us and invest in the greatest mission field that exists - the children. God is doing some exciting things! Our *Good News Club*® team members relate to us how they witness His work first hand. Testimonies from our volunteers abound as to the ways God is connecting children and their families to local churches as a direct result of our Adopt-A-School partnerships.

One family with no prior church relationship began attending services at Four Oaks Community Church because of the after school *Good News Club* at DeSoto Trail Elementary.

Two families joined Thomas Memorial Baptist Church in Quincy this past year. The families are active and the children have joined the AWANA® club program. This is fruit harvested by this church as a result of their *Good News Club* at George Munroe Elementary.

Because of our church partnerships, we've been able to share the Gospel of Christ with over 2,300 boys and girls in North Florida this school year.

A young girl who has attended *Good News Club* at Havana Elementary faithfully for three years came to faith in Christ on the last club day!

Join with us in giving praise to God for the ways He is using *CEF* to make a difference in the lives of children! Won't you join with us in partnership by giving financially to support our mission? Each month, we struggle to meet our financial obligations on time. We know God will remain faithful in meeting our needs. Is it possible that He is leading you to be a partner with *CEF*? Please give a generous gift today.

Yours for the Savior and the Children,

Jerry Morris
